

NORTH OLYMPIC PENINSULA CHAPTER PUGET SOUND ANGLERS

Puget Sound Anglers (state) was established in 1985. There are now 13 chapters around Puget Sound and one “Ocean” chapter in Westport

Mission Statement

- Our mission is to organize and fund educational events and learning that promotes:
 - stewardship
 - conservation
 - camaraderie
 - safety and enjoyment of local fisheries

By-laws

Article II Objectives - Section 1

The organization shall be incorporated and operated as a non-profit, non-political and non-sectarian organization to:

- preserve, protect, and enhance sport fishing and shellfish
- promote sport fishing in a sportsmanlike manner
- work with and encourage constituted authorities and other conservation organizations
- use scientific, yet practical fisheries management solutions

By-laws

Article II Objectives - continued

- manage public and private lands and water
- provide adequate and appropriate food and habitat for sport fish and shellfish
- develop regulations that will preserve, protect and enhance sport fish and shellfish
- and through dissemination of full and accurate information to the organization members and the general public to educate the residents of and visitors to Washington of the importance of sport fishing to the state economy.
